

Welcome to the USMRA! We are so glad you decided to join us! We have a lot of resources for you on our Website (after logging in) and on Facebook.

Website and Account

You now have an account on www.usmondioring.org. Some critical information you will only have access to if you are logged in (so don't forget your password), like your membership card, entering your dog's information, ordering a scorebook, and entering trials. Familiarize yourself with the website for lots of helpful information. Here is a quick guide:

Everything you need to know in order to trail is listed under **Competitor Resources** under the **TRIALS** tab on our website.

You will need to learn the **International Rules of Mondioring**. Those can be found under the **MONDIORING** tab. Download and read them. You will learn something new each time.

If you are not already part of a Mondio Club, check out the **CLUBS** tab where you can see a map of all the USMRA clubs across the country, and under the **USMRA** tab, go to **Membership** to find our Member Directory and use an interactive map of where all our members are located. Introduce yourself to some and ask to be kept in the loop for any possible training opportunities.

Under the **USMRA** tab, you will also see **Governance** to find the pages for our Board of Directors, By Laws, Code of Conduct and Board Meeting Minutes. Read the Minutes as they come out for new updates to policies and procedures.
